RESOLVED FURTHER THAT the said Warrants shall be issued and allotted by the Company to the allottees within a period of 15 days from the date of passing of this resolution provided that where the allotment of the said Warrants is pending on account of pendency of any approval for such allotment by any regulatory authority or the Central Government, the allotment shall be completed within a period of 15 days from the date of such approval.

RESOLVED FURTHER THAT without prejudice to the generality of the above, the issue of Warrants shall be subject to following terms:

- I) The Equity Shares to be so allotted on exercise of the Warrants shall be in dematerialised form and shall be subject to the provisions of the Memorandum and Articles of Association of the Company and shall rank pari-passu in all respects including dividend, with the existing Equity Shares of the Company. The Warrants may be exercised into Equity Shares as aforesaid by the Warrant holder(s) at any time before the expiry of 18 months from the date of allotment of the Warrants.
- II) A Warrant subscription price equivalent to 25% (i.e., the upfront amount) of the issue price will be payable at the time of subscription to the Warrants, as prescribed by Regulation 169 of the SEBI ICDR Regulations, which will be kept by the Company to be adjusted and appropriated against the issue price of the Equity Shares. A Warrant exercise price equivalent to the 75% of the issue price of the Equity Shares shall be payable by the Warrant holder(s) at the time of exercising the Warrants.
- III) The issue of the Warrants as well as Equity Shares arising from the exercise of the Warrants shall be governed by the regulations and guidelines issued by SEBI or any other statutory authority as the case may be or any modifications thereof.
- IV) The respective Warrant holders shall make payment of Warrant Subscription Price and Warrant Exercise Price from their own bank account into the designated bank account of the Company and in the case of joint holders, shall be received from the bank account of the person whose name appears first in the application.
- V) In the event the Warrant holder(s) does not exercise the Warrants within 18 months from the date of allotment, the Warrants shall lapse and the amount paid shall stand forfeited by the Company.
- VI) The Warrants and the Equity Shares allotted pursuant to exercise of such warrants shall be subject to a lock-in for such period as specified under Chapter V of SEBI ICDR Regulations.
- VII) The Warrants by itself, until exercised and converted into Equity Shares, shall not give to the Warrant Holders thereof any rights with respect to that of an Equity shareholder of the Company.

RESOLVED FURTHER THAT the pre-preferential allotment shareholding of the Warrant Holders, if any, in the Company shall also be subject to lock-in as per the provisions of the SEBI ICDR Regulations.

RESOLVED FURTHER THAT the Board be and is hereby authorised to accept any modification(s) or modify the terms of issue of Warrants, subject to the provisions of the Act and SEBI ICDR Regulations, without being required to seek any further consent or approval of the Members of the Company.

RESOLVED FURTHER THAT pursuant to the provisions of the Act and subject to receipt of such approvals as may be required under applicable law, the consent of the Members of the Company be and is hereby accorded to record the name and address of the allottees and issue a private placement offer cum application letter in the Form PAS-4 to the allottees inviting to subscribe to the Warrants in accordance with the provisions of the Act.

RESOLVED FURTHER THAT the Board be and is hereby authorised to issue and allot such number of Equity Shares of the Company as may be required to be issued and allotted upon exercise of the option in the Warrants held by the Warrant holder(s).

RESOLVED FURTHER THAT for the purpose of giving effect to this Resolution, the Board be and is hereby authorised to do all such acts, deeds, matters and things as it may in its absolute discretion deem necessary, desirable and expedient for such purpose to give effect to the above resolution, including without limitation, issuing clarifications, resolving all questions of

- ix) The Results of the resolutions passed at the AGM of the Company will be declared within 48 working hours of the conclusion of AGM. The Results declared along with the Scrutinizer’s report shall be placed on Company’s website of CDSL and will be communicated to the stock exchanges.
- x) **Voting through Electronic Means:** Pursuant to the Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management And Administration) Rules, 2014, as amended from time to time and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the facility to the Members a facility to exercise their right to vote at the Annual General Meeting (AGM) by electronic means.
- xi) **The instructions for shareholders voting electronically are as under:**
 - (i) The voting period **begins on 25.09.2023 at 09.00 am and ends on 27.09.2023 at 05.00 pm**. During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date (record date) of 22.09.2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date through e-voting would not be entitled to vote at the meeting value.
 - (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide

remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDIAN ECONOMY

The Textile Sector in India ranks next to Agriculture. Textile is one of India's oldest industries and has a formidable presence in the national economy in as much as it contributes to about 14 per cent of manufacturing value-addition, accounts for around one-third of our gross export earnings and provides gainful employment to millions of people. The textile industry occupies a unique place in our country. One of the earliest to come into existence in India, it accounts for 14% of the total Industrial production, contributes to nearly 30% of the total exports and is the second largest employment generator after agriculture. Textile Industry is providing one of the most basic needs of people and the holds importance; maintaining sustained growth for improving quality of life. It has a unique position as a self reliant industry, from the production of raw materials to the delivery of finished products, with substantial value-addition at each stage of processing; it is a major contribution to the country's economy. This paper deals with structure, growth and size of the Indian textile industry, role of textile industry in economy, key advantages of the industry, textile industry export and global scenario and strength, weakness, opportunities and treats of the Indian textile industry. The last two years the country's economy has seen turbulence and uncertainty in terms of COVID19. Economic activity which was recovering with the ebbing of the third wave, rapid stride towards universal vaccination, and supportive fiscal and monetary policies now faces significant headwinds from the exacerbating geopolitical developments and the accompanying sharp rise in global commodity prices and weakening global growth outlook. The global recovery from the COVID-19 pandemic is turning out to be muted relative to earlier expectations. Downside risks to even this subdued recovery have jumped significantly from the escalation of geopolitical tensions, which have led to a broad-based increase in global commodity prices and are expected to have a large negative impact on global trade and growth. Growth and inflation outcomes are at high risk across the world as well as in India. In the face of this extraordinary risk, the positive effects expected from the release of pent-up demand, especially for contact-intensive services, the government's thrust on infrastructure and capital expenditure, congenial financial conditions and improving capacity utilization appear ephemeral.

INDIAN TEXTILE INDUSTRY

The market in India is majorly driven by the easy availability of abundant raw materials, such as cotton, silk and, wool, etc, across India that are widely used for manufacturing apparel. Furthermore, the increasing investments by the government of India (GoI) in the upgradation of the textile infrastructure by the widespread integration of advanced technologies with the production processes such as the Scheme for Integrated Textile Parks and the Technology Up gradation Fund Scheme, are creating a positive outlook for the market. Moreover, the availability of cheap labor at a cheap cost is another factor contributing to market growth. Additionally, increasing penetration of high-speed internet has catalyzed tend the rapid expansion of online retail channels acrossing in the country are also , thereby providing a boost to the market growth.

HIMACHAL FIBRES LIMITED

OPPORTUNITIES, THREATS, RISKS AND CONCERNS

Accelerated reopening of activities have re-opened opportunities for the textile market which were quiet for a long time. Further, China plus one policy by USA and Europe will lead to increase in demand for the Indian Market. With an added advantage of high quality standards and globally renowned accreditations, our Company will be forging ahead with its sustainability vision to build potential so as to grab opportunities coming its way. Currently the biggest threat is the enormous increase in cotton prices leading to high finished good prices. Consumers are therefore shifting their focus from cotton to man-made fibres. Further, increase in prices of other commodities such as coal, dyes and chemicals is also making the industry non-competitive.

OUTLOOK

India's economy rebounded quickly from a steep contraction in 2020, but a severe second wave of the coronavirus has increased risks to the outlook with potential larger-term credit implications. Risk to India's credit profile, including a persistent slow-down in growth, weak government finances and rising financial sector risk, have been exacerbated by the shock. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY Your Company maintains adequate internal control system and procedures commensurate with its size and nature of operations. The internal control systems are designed to provide a reasonable assurance over reliability in financial reporting, ensure appropriate authorization of transactions, safeguarding the assets of the Company and prevent misuse/ losses and legal compliances. The internal control system includes a well-defined delegation of authority and a comprehensive Management Information System coupled with quarterly reviews of operational and financial performance, a well-structured budgeting process and internal audit. The Internal Audit reports are periodically reviewed by the management and the Audit Committee and necessary improvements are undertaken, if required.

HEALTH AND SAFETY MEASURES

The Company has health and workplace safety programs in place and has established policies and procedures aimed at ensuring compliance with applicable laws/legislative requirements. The Company believes that the health and safety of the workers and the persons residing in the vicinity of its plants is fundamental to the business. Commitment to the identification and elimination or control of the workplace hazards for protection of all is utmost importance.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company recognizes the importance and contribution of its human resources for its growth and development and is committed to the development of its people. The Company has been adopting methods and practices for Human Resources development. With utmost respect to human values, the Company continues to develop its human resources, through appropriate trainings, workshops, motivation/leadership techniques and employee welfare activities at regular intervals.

CAUTIONARY STATEMENT

Statements in this report on Management Discussion and Analysis, describing the Company's objectives, projections, estimates, expectations or predictions may be forward looking, considering the applicable laws and regulations. These statements are based on certain assumptions and expectation of future events. Actual results could, however, differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include finished goods prices, raw materials costs and availability, global and domestic demand supply conditions, fluctuations in exchange rates, changes in Government regulations and tax structure, economic developments within India and the countries with which the Company has business contacts. The Company assumes no responsibility in respect of the forward-looking statements herein, which may undergo changes in future based on subsequent developments, information or events.

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **HIMACHAL FIBRES LIMITED** (“the Company”), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information (hereinafter referred to as the “standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2023, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Emphasis of Matter

We draw attention to Note 5 to the standalone financial statements, which describes that the Company has made assessment of the inventories carried during the year under review on the basis its nature and ageing. On the basis of its assessment the company has identified inventories amounting to Rs.1015.87 Lakhs as slow moving inventories and segregated it under the head “Other non current assets” in the Statement of Assets & Liabilities as at 31st March 2023.

Our Opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
The company has shown Trade Receivables-Unsecured, Considered good amounting to Rs.726.20 Lakhs as Other Non-Current Assets. See Note 4 of the standalone financial statements.	The procedures performed included the following among others: <ul style="list-style-type: none">• Understood the management processes, assumptions and controls with regard to testing, evaluating and identifying the Trade Receivables as Non-Current Assets.• Obtaining external confirmation as per SA 505.• Management has determined that there is no impairment loss which needs to be provided for.• Obtaining representation letter from the management on the assessment of these matters as per SA 580 (revised) – Written representations.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Corporate Governance Report and Directors' Report, including annexures thereon, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also: -

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of **M/s Himachal Fibres Limited** (“the Company”) for the year ended March 31, 2023:

i) In respect of the Company’s Property, Plant and Equipment and Intangible Assets:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;

(B) The Company has no intangible assets for the year ended March 31, 2023.

(b) The Property, Plant and Equipment have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements are held in the name of the company.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii)(a) The management has conducted the physical verification of inventory at reasonable intervals and in our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on physical verification of the inventory as compared to books records which has been properly dealt with in the books of account were not material.

b) The company has not submitted any quarterly returns or statements of current assets with State Bank of India since the accounts of the company has been classified as NPA by the State bank of India as on 31.03.2021. Therefore, reporting under clause 3(ii)(b) of the Order is not applicable.

iii) The Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties.

iv) In our opinion and according to the information and explanations given to us, the provisions of sections 185 and 186 of the Companies Act in respect of loans to directors including entities in which they are interested and in respect of loans and advances given, investments made, guarantees, and securities given have been complied with by the company.

v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government, the maintenance of cost records has been prescribed under sub-section (1) of Section 148 of the Companies Act and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have however not made a detailed examination of the records with a view to determining whether they are accurate or not.

vii) (a) In our opinion, the Company has not been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable except following:-

S.No.	Statute	Nature	Amount in Lakhs
1	Income Tax Act, 1961	Income Tax (FY 2012-13)	21.84
2	Himachal Pradesh Sales Tax Act	Works Contract Tax Payable	1.36
3	Employee's State Insurance Act, 1948	E.S.I. Payable	8.25
4	Employee's Provident Fund Act, 1952	EPF Payable	30.30
5	Finance Act, 2005	Service Tax Payable	0.04
6	Income Tax Act, 1961	TDS/TCS Payable	1.19

b) In our opinion and according to the information and explanations given to us, the Company has no statutory dues referred to in sub-clause (a) above which is pending for deposit as on March 31, 2023 on account of dispute.

viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

ix) (a) In our opinion and according to the information and explanations given to us, the Company was in default against credit facilities availed from State Bank of India since 31.03.2021. However the company has repaid the settled dues State Bank of India during the year under review as per the Compromise settlement vide its letter No. SAMB/HFL/2021-22/958 dated 28.03.2022.

(b) In our opinion and according to the information and explanations given to us, the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion and according to the information and explanations given to us, the Company has raised afresh term loan of Rs.6.00crores from JFC Finance (India) Limited during the year under review to repay the comprise settlement amount to State Bank of India.

(d) The Company has not raised any fresh short term loan during the year. therefore, the provisions of clause 3 (ix) (d) of the Order could not be commented upon.

(e) The company has no subsidiaries, associates or joint ventures. Accordingly, the provisions of clause 3 (ix) (e) of the Order are not applicable to the Company and hence not commented upon.

(f) The company has no subsidiaries, associates or joint ventures. Accordingly, the provisions of clause 3 (ix) (f) of the Order are not applicable to the Company and hence not commented upon.

x)(a) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer(including debt instruments) during the year under review. Accordingly, the provisions of clause 3 (x) (a) of the Order are not applicable to the Company and hence not commented upon.

(b) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or convertible debentures(fullypartially or optionally convertible) during the year. Accordingly, the provisions of clause 3 (x) (b) of the Order are not applicable to the Company and hence not commented upon.

xi) (a) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.

xii) Since the Company is not a Nidhi Company, therefore, the provisions of clause (xii) (a), (xii) (b) and (xii) (c), of the Order are not applicable to the Company.

xiii) In our opinion, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act.

xvi) (a) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934(2 of 1934) and accordingly, the provisions of clause 3 (xvi)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

xvii) The Company has not incurred any cash losses during the financial year covered by our audit. However it has incurred cash losses of Rs.519.90 Lakhs in the immediately preceding financial year.

xviii) There has been no resignation of the statutory auditors of the Company.

xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of

one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx) Section 135 of the Companies Act is not applicable to the company, therefore reporting under clause 3(xx) of the Order is not applicable.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of M/s Himachal Fibres Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s Himachal Fibres Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Himachal Fibres Limited

Notes to financial statements for the year ended 31st March 2023

1. Corporate Information

Himachal Fibres Limited (hereinafter referred to as "the Company") is a Company incorporated and domiciled in India with its registered office is at Plot No. 43-44, Industrial Area, Barotiwala, District Solan, Himachal Pradesh. Corporate identification number of the company is L17119HP1980PLC031020 and the company is engaged in the business of manufacturing and sale of cotton polyester yarn and knitted clothes.

2. Significant accounting policies

The Company has consistently applied the following accounting policies to all periods presented in the financial statements.

(a) Basis of preparation and presentation

The financial statements of the Company comply in all material aspects with Indian Accounting Standards ("Ind AS") including the rules notified under the Companies Act, 2013 amended from time to time.

The financial statements were authorized for issue by the Company's Board of Directors on 30th May, 2023.

(b) Basis of measurement

The financial statements have been prepared under the historical cost convention on accrual basis except for the following items:

- Certain financial assets and liabilities (including derivative instruments) that is measured at fair value.
- Defined benefit liability/(assets): present value of defined benefit obligation less fair value of plan assets. Or Employee's Defined Benefit Plan as per actuarial valuation.

(c) Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is also the Company's the functional currency.

(d) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires the management to make estimates and judgment that affect the reported amounts of assets, liabilities, income, expenses and other comprehensive income (OCI) that are reported and disclosed in the financial statements and accompanying notes. These estimates and judgment are based on the management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other estimates and judgments that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

The area involving significant estimates and judgments are:

- Recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used

- Measurement of defined benefit obligations: key actuarial assumptions
- Estimation of useful lives of property, plant and equipment and intangible assets
- Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources
- **Estimation uncertainty relating to the global health pandemic on COVID-19**
The outbreak of corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company's operations and revenue during the period were impacted due to COVID-19. The Company has taken into account the possible impact of COVID-19 in preparation of the audited financial statements including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these audited financial statements and current indicators of future economic conditions.

(e) Current / non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized in, or is intended for sale or consumption in the company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realized within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A Liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is due to be settled within 12 months after the reporting date; or
- The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

(f) Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located and condition necessary for it to be capable of operating in

An item of property, plant and equipment and any significant part initially recognized the manner intended by management.. The Company identifies and determines separate useful lives for each major component of the property, plant and equipment, if they have a useful life that is materially different from that of the asset as a whole.is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is de-recognized.

Property, plant and equipment under construction and cost of assets not ready for use at the year-end are disclosed as capital work- in- progress.

Subsequent expenditure

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard or period of performance. All other expenses on existing property, plant and equipment, including day-today repairs, maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Depreciation

Depreciation on property, plant and equipment has been provided on Straight line method in the manner and over the useful life of the assets prescribed under Part 'C' of Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

(g) Impairment

Impairment of financial assets

The Company recognizes loss allowance for expected credit losses on financial assets measured at amortized cost. At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit impaired includes the following observable data:

- significant financial difficulty of the debtor;

- a breach of contract such as a default in payment within the due date;
- the restructuring of a loan or advance by the entity on terms that the Company would not consider otherwise;
- it is probable that the debtor will enter bankruptcy or other financial reorganization; or

The Company measures loss allowances at an amount equal to lifetime expected credit losses. Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information. The Company considers a financial asset to be in default when the debtor is unlikely to pay its credit obligations to the Company in full, without recourse by the Company to actions such as realizing security (if any) is held.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. In

assessing value in use, the estimated future cash flows are discounted to their present value on an appropriate discount factor.

(h) Inventories

The cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. The cost in respect of different classifications of inventories is computed as under:

- in case of raw material, stores and spares, diesel and packing material at first-in-first-out (FIFO) cost method plus direct expenses.
- in case of work-in-progress at raw material cost (determined on FIFO cost method) plus appropriate portion of conversion cost and other overheads incurred depending upon the stage of completion.
- in case of finished goods at raw material cost (determined on FIFO cost method) plus conversion cost, packing cost and other overheads incurred to bring the goods up to their present location and condition.
- Saleable waste/ Scrap has been valued at estimated net realizable value.
- Goods/ material in transit are valued at realizable value to date.

(i) Foreign currency transactions

Transactions in foreign currencies are recorded by the Company entities at their respective functional currency at the exchange rates prevailing at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currency are translated to the functional currency at the exchange rates prevailing at the reporting date

Exchange differences arising on settlement or translation of monetary items are recognized in the statement of Profit and Loss

(j) Employee benefits

– Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

– Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in Statement

of Profit and Loss in the periods during which the related services are rendered by employees.

– **Defined benefit plans**

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed quarterly/annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, are recognized in OCI. The Company determines the net interest expense (income) on the net defined benefit liability for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then net defined benefit liability, taking into account any changes in the net defined benefit liability during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

(k) Revenue recognition

– **Revenue from Sale of goods**

– Revenue is measured at the fair value of the consideration received or receivable. Sales are recognized when the significant risks and rewards of ownership which coincide with transfer of controls of goods, are transferred to the buyer as per terms of contract and are recognized. Amounts disclosed as revenue is net of returns, trade discounts, Good and Service Tax (GST) and amount collected on behalf of third parties.

– The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefit associated with the transaction will flow to the company.

– **Revenue from other than sale of goods**

– Revenue (other than sale) is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Export incentives and subsidies are recognized when there is reasonable assurance that the Company will comply with the conditions and the incentive will be received.

- Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable.
- Insurance claims are accounted for on an accrual basis, to the extent these are measurable and ultimate collection is reasonably certain.

(l) Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in Statement of Profit and Loss over the period of the borrowings using the effective interest method (EIR). Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

(m) Borrowing costs

Borrowing cost are interest and other costs incurred in connection with borrowing of funds. Borrowing costs directly attributable to acquisition or construction of qualifying assets are capitalized as part of the cost of such assets to the extent that they relate to the period till such assets are ready to be put to use. Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are recognized as expense in the period in which they are incurred.

(n) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right of use assets

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Particulars	Lease Term
Leasehold Land	99 Years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

ii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases except in case of lease contracts with related parties since there exist economic incentive for the Company to continue using the leased premises for a period longer than the 11 months and considering the contract is with the related parties, it does not foresee non-renewal of the lease term for future periods, thus basis the substance and economics of the arrangements, management believes that under Ind AS 116, the lease terms in the arrangements with related parties have been determined considering the period for which management has an economic incentive to use the leased asset (i.e. reasonable certain to use the asset for the said period of economic incentive). Such assessment of incremental period is based on management assessment of various factors including the remaining useful life of the asset as on the date of transition. Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

(o) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts.

i. Financial Assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Classifications

The company classifies its financial assets as subsequently measured at either amortized cost or fair value depending on the company's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Business model assessment

The company makes an assessment of the objective of a business model in which an asset is held at an instrument level because this best reflects the way the business is managed and information is provided to management.

Debt instruments at amortized cost

A financial asset is measured at amortized cost only if both of the following conditions are met:

- it is held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- the contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

After initial measurement, such financial assets are subsequently measured at amortized cost using the Effective Interest Rate ('EIR') method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

Debt instrument at fair value through Other Comprehensive Income (FVOCI)

Debt instruments with contractual cash flow characteristics that are solely payments of principal and interest and held in a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets are classified to be measured at FVOCI.

Debt instrument at fair value through profit and loss (FVTPL)

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL.

In addition, the company may elect to classify a debt instrument, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

ii. Equity Instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. On initial recognition an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

All other Financial Instruments are classified as measured at FVTPL.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognized (i.e. removed from the company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognize the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognized) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognized in OCI is recognized in profit or loss.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

With regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognized from the initial recognition of the trade receivables.

iii. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of amortized cost, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities measured at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss.

Derivative financial instruments

Foreign exchange forward contracts are purchased to mitigate the risk of changes in foreign exchange rates associated with forecast transactions denominated in certain foreign currencies. The Company recognizes all derivatives as assets or liabilities measured at their fair value. The changes by marked to market then at each reporting date and the related gains (losses) are recognized in the Statement of Profit and Loss.

De-recognition of financial liabilities

The company de-recognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

(p) Measurement of fair values

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(q) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less. For the purposes of the Cash Flow Statement, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities

(r) Earning per share

Basic earning per share (EPS) are calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share(EPS), the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(s) Provisions and contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future obligation at pre-tax rate that reflects current market assessments of the time value of money risks specific to liability. They are not discounted where they are assessed as current in nature. Provisions are not made for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made. Contingent assets are disclosed in the financial statements.

(t) Taxation

Income tax comprises current and deferred tax. It is recognized in Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets - unrecognized or recognized, are reviewed at each reporting date and are recognized/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.
